St. Jude Children's
Research Hospital

ALSAC • Danny Thomas, Founder

Dear Family and Friends,

Proceeds from this year's bocce tournament will be donated to **St. Jude Children's Research Hospital**. St. Jude Children's Research Hospital is internationally recognized for its pioneering research and treatment of children with cancer and other life-threatening diseases. The hospital's research has helped push overall survival rates for childhood cancer from less than 20 percent when the institution opened to almost 80 percent today. It is the first and only National Cancer Institute-designated Comprehensive Cancer Center devoted solely to children, and no family ever pays St. Jude for care. For more information, visit www.stjude.org.

Please support us in our quest to raise money for this amazing charity.

Sincerely,
The Martignetti Family
